Sep 2007 - Jun 2012
York University, Toronto, ON

SUMMARY

- A passionate fullstack developer with nearly 1 year experience
- Coding bootcamp graduate with a strong foundation in JavaScript, TypeScript, React.js and Node.js.
- Previously worked as an ESL teacher in Japan.
- Exemplary communicator, proactive problem solver, dedicated team player, insatiable learner
- Loves to build things with code that help make people's lives easier.

EXPERIENCE

Full Stack Developer

Dec 2022 - present

Holy Trinity Macedono-Bulgarian Eastern Orthodox Church

- Developed scalable and efficient microservices using Node.js, React, and MySQL
- Created a custom CMS solution, resulting in improved user experiences for admins
- Designed visually stunning user interfaces using Figma, Photoshop, and Illustrator
- Collaborated closely with stakeholders to meet their needs.
- Actively researched and utilized emerging technologies and tools to stay up-to-date with industry trends and best practices

Web Development Teacher's Assistant

Sep 2022 - Dec 2022

BrainStation, Toronto, ON

- Reviewed and debugged coding projects, providing detailed feedback and support to improve coding quality
- Collaborated closely with lead instructors to deliver a great experience
- Leveraged my strong knowledge of development topics to help improve students' skills
- Facilitated group projects and whiteboarding sessions, creating an engaging and supportive environment, resulting in increased success rates
- Utilized communication and interpersonal skills, building rapport with students

ESL Teacher/Instructor

Apr 2018 - Mar 2022

Overseas Training Center & YMCA, Osaka

- Leveraged strong interpersonal skills to communicate effectively with students, colleagues, and parents from diverse cultural and linguistic backgrounds
- Utilized empathy and adaptability by actively striving to meet student needs
- Collaborated effectively with management and colleagues resulting in improved outcomes
- Sought out and implemented feedback continually working to improve my skills
- Provided regular feedback and support to ensure ongoing success
- Demonstrated a commitment to ongoing learning and professional development, staying up-to-date with the latest methodologies, technologies, and trends in the field.
- Took initiative on creating materials and shared them with the team in order to improve efficiency and student engagement.
